The Advanced Leadership program is a meticulously designed and targeted training endeavor crafted to elevate the leadership proficiencies and competencies of mid-level managers.

PROGRAM OVERVIEW

The IUM Advanced Leadership Program is a structured and focused training initiative designed to enhance the leadership skills and capabilities of individuals in mid-level management positions. This program aims to prepare middle managers to effectively lead teams, make strategic and innovative decisions, foster a positive work environment, and align their actions with the organization's goals, in a rapidly evolving business setting. It is tailored to meet the specific leadership needs and objectives of both the participants and the organization. The ultimate goal of such a program is to empower middle managers to drive organizational success and contribute to long-term leadership development within the company, by being agile, data-driven, ethically responsible, and capable of making informed decisions in an environment characterized by uncertainty and rapid change.

WHO WILL BENEFIT

This program is for mid-management managers with new leadership experience as an executive and leaders seeking to enhance their strategic skills and drive organizational success in a competitive framework.

PROGRAM OBJECTIVES

Your Personal Growth as an individual

- Gain clear insights into the strengths and weaknesses of your leadership style and develop greater awareness about it and how it's perceived by others.
- Assist you in progressing along your unique learning journey

You as a leader

- Acquire actionable tools for energizing individuals and empower high-performing teams
- Explore the core principles of psychological influence, negotiation and motivation of others
- Develop skills for delivering feedback, managing conflict, and handling stressful leadership situations
- Cultivate an adaptable mindset and encourage innovation, enabling you to respond to evolving challenges and opportunities.
- Build a wider network of like-minded professionals for a more enriching experience

“ Stay ahead of the leadership game with our multi-day program, meticulously designed for today's rapidly evolving and uncertain business climate. More than just a course, it's a transformative journey, equipping you with the cutting-edge skills and advanced mindsets needed to lead efficiently, inspire others, and drive real change in a dynamic business environment.

PROGRAM FACULTY

Luca is a Leadership Agility university professor, researcher, corporate advisor, and keynote speaker. Based on two decades of extensive corporate leadership experience and a decade of research and advisory practice, Luca helps leaders to evolve their capabilities and mindsets to better perform in today's fast-changing market reality.

He has trained leaders with Fortune Global 500 companies like Volkswagen Group, Carrefour, Deloitte, Barclays, and GE.

Clients say that he brings a unique approach to reinforcing leaders' abilities to perform in rapidly changing business environments by helping them adopt new, forward-thinking leadership mindsets and capabilities.

AGILE LEADERSHIP DEVELOPMENT PROGRAMS - C-suite executives, senior leaders, and HR Directors, in medium-sized and large companies consult Luca unsatisfied by the limited advancements in the Agile evolution of their leaders.

He helps clients to reverse the trend and get their entire organization advancing at the same pace toward becoming more responsive to the market and stepping up growth and resilience.

SPECIALTIES - Leadership Development, Agile Leadership, Agile Transformation, Business Agility, Leadership in VUCA, Change Management, Enterprise Agility.

THE IUM DIFFERENCE

The International University of Monaco is a private institution of higher education founded in 1986 in the Principality of Monaco, integrated within the OMNES Education, the French leader in private higher education.

IUM is AACSB accredited (Association to Advance Collegiate Schools of Business) and its MBA program holds the AMBA accreditation (Association of MBAs).

Its program portfolio includes Executive Programs, Bachelor, Master of Science, MBA and DBA degrees, Renowned professors and experts are engaged in executive programs designed for global leaders and managers representing a diverse range of industries.

IUM is proud to remain an intimate, human scale business school with a profoundly multicultural outlook.

With more than 70 different nationalities in its student body, IUM encourages interactions and exchanges among students from around the world.

WELCOME TO MONACO

Monaco, located between France and Italy, is a unique economic model, which is characterized by a zero-income tax policy for individuals, a diversified revenue base, a thriving finance sector, high-end tourism, and a strong focus on luxury markets, contributing to its reputation as a global economic and financial hub.

By taking advantage of its international setting, and the image of the Principality of Monaco, IUM provides a learning environment that combines the benefits of a small size country with the connections to global businesses, international diversity, and an entrepreneurial spirit. The Principality of Monaco is a dynamic and multicultural environment where students can learn and experience the finance, sport, and luxury industries at the highest level. The country offers an unparalleled gateway to successful companies that work right on the IUM doorstep.

THE IUM EXPERIENCE

Whether you are an individual seeking to expand your skills and knowledge or an organization seeking to deliver innovative training solutions, the executive education team at IUM is ready to be your partner. We harness the expertise and practical insights of our esteemed faculty, Executive Education Fellows, and trusted Experts to provide you with engaging workshops and immersive learnings. This allows us to bring a wide range of corporate experience and outstanding academic credentials, all applied to your real business challenges.

ADMISSIONS

We accept applicants for the programs on an ongoing basis as space permits, and we urge you to submit your application at your earliest convenience. While many programs don't have strict educational prerequisites, the admission process is competitive and centers on your professional accomplishments and your role within your organization.
